

Deliberations till after 12. O'Clock in the Evening.  
 A map of evils required close Investigation,  
 and many of the subjects were very painful  
 to consider - I trust the Regulations & Resolutions  
 which I proposed, and which were adopted  
 will restrain many evils, if not cure them -  
 when men have got a great way out of the  
 the right path, they do not like to return  
 again to the Place from whence they erred.  
 This is the Situation with some in this mission.

It is awful to think how they have fallen &  
 how much Advantage Satan has gained over  
 them & I much fear some will never benefit  
 the mission; their minds and Habits are not  
 calculated for the work they have engaged in -  
 There is no Consideration can induce a man  
 to do habitually, what he has an habitual  
 aversion to do - missionary work is very  
 hard work, unless the Heart is fully engaged in  
 it. A man will always be in that mans way,  
 who cannot bend his mind to the Instruction of  
 the natives - The sooner such a one leaves  
 the work, the better it will be for himself &  
 the mission -

 Closing deliberations  
 deliberation, and continued until after  
 mid. day when most of the subject under  
 Consideration were finally closed, so that  
 I enjoyed a little quiet in the evening  
 I had been very much surprised since I
